THE AMERICAN'S CREED

I believe in the United States of America as a government of the people, by the people, and for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign nation of many sovereign states; a perfect Union, one and inseparable; established upon those principles of freedom, equality, Justice, and humanity for which American patriots sacrificed their lives and fortunes.

Therefore I believe it is my duty to my country to love it, to support its Constitution, to obey its laws, to respect its flag, and to defend it against all enemies.

William Tyler Page

God Bless our Military men and women who serve to protect the freedoms we enjoy and who protect our safety.

Of note: The American Creed, The Constitution, Declaration of Independence, New Jersey Constitution and other Great Papers were given out to each 8th grader graduating from a Paterson Public School In a book called "Our Great State Papers" ... I still have mine.
